

Stop media deregulation!

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules.

It is absolutely ridiculous that in this country one gets excited when on a 6 hour trip one finds a radio station that is not playing the same ten songs over and over again. Please serve the people who pay your salary and not the industry you are supposed to regulate. Stop the mass media homogeneity!!

Thank you,

Phil Sullivan
